MANUELA GRECCHI

Vice Rector of the Lecco Campus
of Politecnico di Milano

Manuela Grecchi

Vice Rector of the Lecco Campus of Politecnico di Milano

Manuela Grecchi, Architect and PhD, serves as Vice Rector of the Lecco Campus of Politecnico di Milano and is Full Professor of Technical Architecture. Formerly serving as Vice Rector with responsibility for the built heritage, she coordinated the PhD course in Building Systems Engineering and the Master's course program in Building and Architectural Engineering.

As Expert Member, she took part in the project for preventing and mitigating risks to buildings (Mission Body of the Presidency of the Council of Ministers of the Italian Government). She also conducts research on the reuse and regeneration of existing disused assets. She is the author of numerous publications and has taken part in research projects with Italian and European funding.
