1st MINUTES

The Selection Board, appointed with RD Index No. 17334 ref. No. 230794 of 30 September 2025, composed by the following professors:

Prof. BELLOLI Marco - Politecnico di Milano;
Prof.ssa VIRÉ Axelle - TU Delft;
Prof. CHENG Po Weng - University of Stuttgart,

has met on March, 31 at 16:00 for the first teleconference meeting.
Each board member was connected from his/her workstation, as specified below:

- Prof. BELLOLI Marco	at Politecnico di Milano
- Prof.ssa VIRÉ Axelle	at TU Delft
- Prof. CHENG Po Weng	at University of Stuttgart

The members of the Selection Board took note that no objection to the board members in relation to this selection procedure had reached the University and therefore the Selection Board was fully entitled to operate in accordance with the rules of the competition.

At the start of the session the members of the Selection Board named the Chairman and the Secretary:

Prof. CHENG Po Weng at the University of Stuttgart, Chairman;
Prof. BELLOLI Marco at the Politecnico di Milano, Secretary.

Each member of the board declared not to have conjugal nor family relationship or other degree of kinship or affinity up to the fourth degree, not to be in same-sex civil union (as per art. 1 of Law No. 76 of 20.05.2016) and not to form a cohabiting couple (as per art. 1, paragraphs 37 et seq. of Law No. 76 of 20.05.2016) with other members of the board and that there were no reasons for abstention pursuant to arts. 51 and 52 of the Civil Procedure Code.

The members of the Selection Board also declared, pursuant to art. 35-bis of Legislative Decree 165/2001, not to have criminal convictions, even with non-definitive sentences, for offences provided for in Chapter I, Title II of the second book of the Criminal Code.

The Selection Board noted that the competition procedure must be concluded within 02 April 2026 (6 months from the date of publication of the decree appointing the Selection Board).

The selection shall take place by means of an assessment of the applicants, concentrating on the requirements set out in the call for applicants and on the basis of:

- curriculum;
- scientific publications;
- teaching experience.

The Selection Board, referring to the subject of the call and the interdisciplinary themes pertinent to it, will make use of the following criteria:

- a) quality of scientific and/or project production, assessed on the basis of criteria and parameters recognized by the international scientific community of reference;
- b) didactic activities carried out in Italian or foreign Universities or bodies;
- c) scientific responsibility for funded research projects;
- d) (where applicable) results obtained in technology transfer in terms of participation in the creation of new enterprises (spin off), development, use and marketing of patents.

The Selection Board shall determine whether applicants possess an appropriate knowledge of English with the following method: The evaluation will be based on the candidate's scientific publications, assessing the clarity, accuracy, and overall quality of written communication in English.

The Selection Board acknowledged that the criteria and the parameters referred to in the preceding paragraph shall be made public at least seven days prior to the assessment and shall be published on Politecnico di Milano website.

The Selection Board established, as per Attachment No. 1 to this report, the criteria and the parameters with which the assessment will be carried out, establishing the minimum score below which the candidate shall not be included in the ranking of candidates.

The Selection Board also established that in the event of exceeding the maximum number of publications, the evaluation will be carried out according to the order specified in the list attached to the application, up to the number established in the call.

The Selection Board shall write, according to the majority of its members, a ranking of candidates selected to carry out the scientific/teaching functions for which the selection was called; the ranking can include a number of candidates not exceeding five times the number of positions made available by the call.

Once the Selection Board has concluded its work, the competition documents, consisting of the minutes of each meeting and the final report, shall be delivered to the Head of the Procedure.

The Secretary, Prof. Marco Belloli proceeds, in real time, to write the drafts with the evaluation criteria, and after receiving the comments of the other board members and making due corrections, writes the attachment 1 to the first minutes in its final form. The attachment shall be sent by e-mail to each board member to collect their signatures and then delivered to the head of procedure who shall publish it on Politecnico di Milano website.

The Selection Board agreed to meet again on April 17 at 9:00 to proceed with the evaluation and the analysis of the documentation sent by the Administration.

The meeting ended at 16:30

Read, approved and signed.
