

Prova orale n.1

1. L'elezione dei Direttori di dipartimento
2. Il/la candidato/a descriva come garantirebbe la tracciabilità della corrispondenza in entrata e uscita, specie per i documenti importanti e acquisti sensibili?

3. Leggere e tradurre il seguente testo:

Founded in 1863, today Politecnico di Milano is the largest scientific technological university in Italy. It is a modern university where quality and innovation in both teaching and research are the foundation of a strong and lasting relationship with the socio-productive environment and with the main foreign institutions in the fields of architecture, design and engineering. Based on the strength of its skills and the reputation that accompanies them, the University aims to achieve increasingly impactful results in its three missions (education and training, research, social responsibility).

Four handwritten signatures in blue ink, arranged in two rows of two. The top row contains two distinct signatures, and the bottom row contains two more signatures, some appearing to be initials or stylized names.

Prova orale n.2

1. Consiglio degli studenti
2. Il/la candidato/a illustri come imposterebbe una cartella condivisa per archiviare pratiche di progetto, in modo ordinato e accessibile e che siano condivise con altri colleghi?
3. Leggere e tradurre il seguente testo:

Politecnico di Milano is a public scientific-technological university which trains engineers, architects and industrial designers. The University has always focused on the quality and innovation of its teaching and research, developing a fruitful relationship with business and productive world by means of experimental research and technological transfer. It also wants to be a solid, recognisable and reliable reference point for sustainable development in Italy and Europe.

A handwritten signature in blue ink, consisting of several stylized, overlapping loops and lines, located in the bottom right corner of the page.

Prova orale n.3

1. La gestione dei dipartimenti.
2. Il/la candidato/a descriva che programma utilizzerebbe per costruire una presentazione del Politecnico di Milano e che dati inserirebbe considerando un pubblico di neo diplomati
3. Leggere e tradurre il seguente testo:

Politecnico is aware of having an impact on the present and future society through education, research and outreach activities and of being at the service of the entire economic and social system of the country and of the international community. Through its community, Politecnico promotes a constant reflection on its mission, its role, its contribution to society with the ambition of pursuing the social, economic and environmental sustainability of its activities. Politecnico is responsible towards its students and strengthens their culture, technical competence, ability to plan and work in multidisciplinary contexts, and their cultural sensitivity.

A handwritten signature in blue ink, consisting of several stylized, overlapping loops and lines, located in the bottom right corner of the page.

Prova orale n.4

1. Quale è la missione istituzionale del Politecnico di Milano?
2. Il/la candidato/a descriva che strumento informatico userebbe per la preparazione di un evento d'Ateneo indicando quali dati ritiene fondamentali inserire.
3. Leggere e tradurre il seguente testo:

In 1987 the territorial diffusion process of the University began, the Politecnico Network, which led to the opening of the regional campuses of Cremona (1987), Como (1987, active until 2018), Lecco (1989), Mantova (1994) and Piacenza (1997), with the aim of establishing a more direct relationship with the students and interacting with the community's local businesses.

In the Bovisa area of Milan, where various disused warehouses and old gas tanks were found, starting in 1989 a university campus emerged with the new Schools of Civil Architecture, Design, and Industrial Engineering and some of the most advanced and innovative laboratories in Europe: the Wind Tunnel, for the development of research in the field of fluid dynamics, the Transportation Security Laboratory, where spectacular crash tests are performed, in addition to the Design Laboratories.

Four handwritten signatures in blue ink, arranged in a 2x2 grid. The top-left signature is a stylized 'L' with a loop. The top-right signature is a complex, circular scribble. The bottom-left signature is a stylized 'B' with a horizontal line. The bottom-right signature is a stylized 'DF'.

PROVA SCRITTA N.1

Il/la candidato/a presenti quali sono gli organi di Ateneo e approfondisca il ruolo del Senato Accademico.

Paolo Lombardi

Fabiana Caccia

PROVA SCRITTA N. 2

Il/la candidato/a presenti quali sono gli organi di Ateneo e approfondisca il ruolo del Rettore

RG
KAR

PROVA SCRITTA N.3

Il/la candidato/a presenti quali sono gli organi di Ateneo e approfondisca il ruolo del Direttore Generale
