Winners may be invited to meet with the donor.

Art.5 Scholarship renewal

Beneficiaries of the four **“Seniors”** scholarships may have them renewed for the **2025/2026 academic year** if the following requirements are met:

First renewal – 2026/2027 a.y.

- enrolment in the 2026/2027 academic year** for the Laurea Magistrale in Engineering must be completed by the deadline set in the academic calendar and no later than 30/09/2026;
- at least 35 CFU** credits required by the study plan and useful for achieving the qualification duly passed and recorded in the career (including recognised credits) by 30/09/2027.

The above requirements will be verified by the Fundraising and Alumni Unit allowing for the automatic renewal of the scholarship.

If the scholarship is not renewed, the beneficiary will automatically forfeit the right to any future renewals.

The verification of renewal eligibility will take place in October.

Art. 6

General rules

Combination: scholarships and any renewals may not be combined with other scholarships or financial assistance provided by Politecnico, especially the benefits of the Diritto allo Studio Universitario (DSU) programme, for the same academic year. Scholarships and any renewals may be combined with contributions for international mobility provided by Politecnico or other public or private entities. Scholarships and any renewals may be combined with exemptions from university tuition fees and contributions.

Disbursement: the assignment of the scholarship and any renewals will be announced to the winners using the University institutional email address.

The winner must return the relevant forms attached to the award or renewal notification, signed for acceptance within 10 days of receiving the notice. **Renewals will be paid annually from February.**

The scholarship will be paid in a lump sum by Politecnico di Milano.

If the scholarship is not paid or the beneficiary fails to renew it, the remaining funds will be used to establish a new call.

Waiver: if the scholarship is waived or the winner fails to deliver the forms, the assignment will be transferred to the next suitable candidate in the ranking.

Revocation: the scholarship may be revoked if disciplinary sanctions are brought against the beneficiary. It will be revoked if the beneficiary withdraws from their studies or transfers to another university during the year.

If the scholarship is revoked, the beneficiary must return what has been paid to Politecnico di Milano and the amount will be used to establish a new call.

Self-certification: any detection of false declarations by Politecnico di Milano will result in the forfeiture of the received benefits.

Taxation: payments awarded are subject to taxation, under applicable scholarship rules. The scholarship payment is treated as employment income, and is subject to the same taxation. The costs borne by Politecnico di Milano correspond to the IRAP rate of 8.5% of the scholarship amount.

Art. 7

Head of the Procedure

Under art. 5 of Italian Law, 7 August 1990, no. 241, the Head of this call procedure, is Dr. Ivano Ciceri.
